

180° Silicone Elbows

Uses: In Coolant Application.

Features:

- 3/4 plies or custom ply polyester knitted fabric reinforcement
- Custom ply configuration to meet desired flexibility & burst pressure requirement.
- Working Temperature -65°C to + 180°C.
- Material properties & performance as per SAE J20 R1, Class A.

Sizes

Sr. No.	Hose ID,(mm)	Leg length1 (mm)	Leg length2 (mm)	Wall Thickness(mm)	No. of Plies
1	9.5	100	100	4	3
